DATE: December 16, 2008

TO: All ICEMA System Participants

FROM: Virginia Hastings, Executive Director
Reza Vaezazizi, M.D., Medical Director

SUBJECT: **APPOINTMENT OF TRAUMA SYSTEM MANAGER**

We are pleased to announce the appointment of Jennifer Dearman, RN, MHA, as the Trauma System Manager for ICEMA. Jennifer will begin her new role on January 5, 2009.

Jennifer has over ten years' experience in emergency department and pediatric programs at Loma Linda University Medical Center, our area's Level I Adult and Pediatric Trauma Center.

In her position with ICEMA, Jennifer will, among other duties, oversee ICEMA's trauma system planning, monitoring and evaluation as outlined in the Health & Safety Code, manage ICEMA's trauma quality improvement programs, including peer review, manage the ICEMA approved Trauma Registry, and prepare trauma program policies, procedures and protocols. In her spare time, Jennifer will begin preparing ICEMA and its systems participants to meet the EMS for Children Guidelines as outlined by the California Emergency Medical Services Authority.

We know you join us in welcoming Jennifer to our EMS community.
